

## GOD'S CALL FOR APM

Dear Church:

God's call on our lives began in separate but similar New England, full-time Christian service homes, when through parents teaching the Word, we knelt, at the age of five, on different yet eternally important days to accept Christ as Saviour. Steve witnessed much as his parents served as Christian school administrators and teachers during the early days of New England's Christian School movement. Rebekah learned the blessings and sacrifices involved in church planting as her parents ministered in New England. During high school years, God moved Steve's family to the south for further Christian school ministry, while Rebekah's family ventured west to serve with Christian schools and homeschoolers.

College years brought both Steve and Rebekah to Pensacola Christian College, but God had much more learning for both, therefore, the future APM team did not meet until after Steve had worked for several years in construction and Rebekah had obtained a Master's Degree. In July of 2004, we were married and served together as Christian school teachers, but "doing something Great for God" became our daily prayer. In June of 2005, we answered God's call to serve as Staff Missionaries under the Aquila/Priscilla Ministry (APM) for The Voice in the Wilderness. Through this diverse ministry, we serve, while at home in Asheville, NC, in The Voice in the Wilderness home office assisting in: missionary correspondence, research and writing for *The Voice in the Wilderness* publication, financial record keeping, computer data entry and design. When not in Asheville, APM represents The Voice in the Wilderness in local churches while assisting Pastors in many teaching/training areas. We would count it a privilege to work in the manner of Aquila and Priscilla in your church. Please contact us that we may serve the Lord together in educating the saints.

Striving to Serve,  
Steve and Rebekah Lilly

The Voice in the Wilderness is a non-profit, independent incorporation, founded by the late Rev. Dr. J. Royce Thomason D.P.D. Ph.D., evangelist and medical missionary.

The organization, directed by Evangelist Dr. Ronnie L. Williamson, is dedicated to the spreading of the whole gospel to the world, especially in foreign lands.

The program consists of building mission stations, supporting American missionaries and native pastors by partnering with the local church in various areas of ministry and preaching Christ to the lost.
