Endeavoring to walk in the footsteps of the New Testament, **Aquila and Priscilla husband and wife teaching team**, Steve and Rebekah Lilly strive to serve the Lord together teaching the teacher and training the trainer in local churches. As recorded in the Book of Acts, many became Christians and the First Century Church spread throughout the world under the preaching of the great missionary the Apostle Paul and others. As the Apostle Paul preached and instructed the new believers, the church was organized. However, organization did not “fall” into place but was gained through the education of the saints. Instructions were given by Paul to church leaders, then church leaders passed on their training to other church workers until all believers had been taught how to live for the Lord. With this method, Bible teachers, Aquila and Priscilla, used their training to give Apollos the understanding of the full gospel of Christ as described in Acts.

In the manner of the New Testament, Steve and Rebekah Lilly desire to partner with the local pastor both in the United States as well as in foreign lands to **disciple, educate and train fellow believers in the service of our Lord and Saviour.**

AN EVANGELISTIC TOOL FOR THE LOCAL CHURCH

As an extension of APM, Steve and Rebekah Lilly, internationally certified teachers of **Teaching English as a Second Language**, use **this classroom learning time as an evangelistic tool for the local church.** In 2006, APM taught English classes in both a local church in the states as well as in Caracas, Venezuela. During each time, English classes were given to the church people and offered to the unsaved community. Students learned simple Bible lessons in English beginning with Creation and concluding with “Christ Died for our sins” and the resurrection of Jesus.

Believers grew immensely through the expansion of their language skills and Bible knowledge.

The unsaved learned through their new language of the need for a Saviour. Many accepted Christ during the class and were discipled by fellow students already involved in the church.

The local church received the blessing of educating the saints and reaching their Jerusalem for Christ.
