

a new year  
a clean  
**SLATE**  
and opportunities for you!

For a moment let's not talk about the failures and mistakes. Yes, confess your sins and know the blessed sweet fellowship with your loving Saviour Jesus Christ.

Lord willing this is a new year. Start out with a clean slate and look at the opportunities God has given you. Here is a checklist that is certain to give you a high yield. This is a no fail hedge fund dividend out of this world.

- ☒ Lord, help me read Your Word and study daily Your blessed Book.
- ☒ Lord, I desire to spend time with You each day in fellowship and prayer.
- ☒ Lord, give me a precious soul to share the Gospel with and see them gloriously saved by grace through faith in Christ.
- ☒ Lord, by Your promise and provision I purpose to faithfully give my tithe, offering, and missions support for Your work throughout 2013.
- ☒ Lord, grant opportunities in our local assembly for stewardship and service in obedience to Your Great Commission.
- ☒ Lord, protect and guide my family this year as we serve together as labourers for Christ.
- ☒ Lord, may I never bring reproach but in all give honour and glory to my Saviour and King!
