Dear Scholarship Applicant,

Each year the Woman's Club of Zephyrhills offers scholarships to individuals pursuing continuing education in all fields at either community colleges, universities or trade schools.

Scholarship recipients will be invited to our meeting on May 6, 2021 at 6PM to be introduced to our members. Scholarship monies are paid directly to the educational entity you plan to attend. Please read these instructions carefully as all requirements must be met for consideration of a scholarship.

The application is to be completed by the applicant. Please type or print legibly.

Two letters of reference are required—one must be from non-relative academic professional, the other may be from immediate supervisors and/or community service administrators who can attest to your abilities. Reference letters must be on letterhead, include an original signature and a telephone number where that person may be reached.

Attach a biographical statement of 250 words or less to include educational background, financial need, activities you have taken part in for home, school, community or church, and how the scholarship will help you achieve your goal. [This page contains 253 words, excluding the logo and footer.]

Please include YOUR best telephone number where you can be reached with the results of your application.

Please mail your completed application form with all required documents to:
